In the event JAMS is unwilling or unable to set a hearing date within thirty (30) days of the filing of a "Demand for Arbitration", then either party can elect to have the arbitration administered by the American Arbitration Association ("AAA") or any other mutually agreeable arbitration administration service. If an in-person hearing is required, then it will take place in Los Angeles County, California . The federal or state law that applies to these Official Rules will also apply during the arbitration. Disputes will be arbitrated only on an individual basis and will not be consolidated with any other proceedings that involve any claims or controversy of another party, including any class actions; provided, however, if for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then the agreement to arbitrate doesn't apply and the dispute must be brought in a court of competent jurisdiction in Los Angeles County, California . The parties shall equally share the administrative and arbitrator's fees in order to conduct the arbitration (but specifically excluding any travel or other costs of entrant to attend the arbitration hearing). Either party may, notwithstanding this provision, bring qualifying claims in small claims court.
